

Exchange Activity with Yonago Hokuto High School, Tottori Prefecture

- **Objectives:** aims to provide students with more chances to interact and communicate with Japanese people for more cultural and language-oriented immersion and out-of-classroom learning enhancement purposes. Japanese high school students were arranged to do Japanese and English presentations on their school life, traditional cultural heritage of Tottori prefecture and Japanese national festivals and annual events.
- **Date, Time and Venue:** 1-2 November 2018:
Time: 9:00-4:00pm; Venue: 3500 and 2614, LI
- **Outcomes:** AAJS students could communicate and interact with the Japanese students in a happy and comfortable learning atmosphere and it is believed that students who have participated in these two-day cultural exchange activities would become more confident to use Japanese to converse with native-speakers.
