MOK Man Yee Kelly
Associate of Arts in Japanese Studies
Graduated in 2014

Kelly completed the Associate of Arts in Japanese Studies at the College with distinction in 2014. With her excellent academic performance, Kelly was admitted by HKU to study in the Bachelor of Arts in Japanese Studies Programme, where she joined a one-year student exchange at Keio University in Japan before graduating in 2017. “The AAJS Programme has given me a head start in my present career. Through the programme, I have developed a much deeper understanding of Japanese culture than what people generally perceive superficially from the media.” Kelly is now employed as Assistant to the Director of Hyogo Business & Tourism Centre (HK) which is the representative office of the Hyogo Prefectural Government in Hong Kong. She helps to promote Hyogo Prefecture and assist in networking among Hyogo enterprises and ASEAN countries through in a wide range of exhibitions and events. Kelly found her job an eye-opening experience as she has the chance to get in touch with people from a wide range of industries and a glimpse of how those industries work (e.g. travel, media, sake breweries, and prefectural government etc).
