

# Ocean Park Graduate Trainee Program 2024

The purpose of our Graduate Trainee program is to attract young and service minded University Fresh Graduates as potential talents for Ocean Park. It aims to engage the fresh graduates from hospitality and related discipline who are passionate in developing career in the attractions industry.

Program Commencement Date: July 2024

Program Structure: During the 12-month period of this program, the selected trainees will be given a series of structured training on park knowledge, service delivery and people skills to enable them to work efficiently and effectively in their respective roles. Ample opportunities will be offered for them to participate in work placements in other departments, to learn the various aspects of theme park operation and guest services. The successful candidates will be offered a 1-year employment contract, annual 12 months' pay, contract-end gratuity & medical insurance. Upon successful completion of the program, with satisfactory work performance being observed, the Park will consider to offer long-term contracts to the Graduate Trainees to support the Park's rapid organizational development and transformational growth. Candidates can apply for one of the below functional graduate trainee program.

- Graduate Trainee – Park Operations & Experience
- Graduate Trainee – General Services
- Graduate Trainee – Retail Operations
- Graduate Trainee – Food & Beverage
- Graduate Trainee – Landscaping
- Graduate Trainee – Events & Entertainment

The ideal candidates:

- University graduate in hospitality, tourism, leisure, attraction, business or related disciplines.
- The candidate should have the right attitude, interest and passion to work in a dynamic, theme park environment
- Strong enthusiasm to develop a long term career in Ocean Park
- Able to work under pressure with good multi-tasking skills, good team player, interpersonal and communication skills
- Excellent command of both written and spoken English and Chinese (Cantonese and Putonghua)
- Creative, able to think critically, a fast learner who is willing to take up work challenges in a dynamic ever-changing environment
