Dear Douglas

Exemptions Offer – Outcome of Assessment

I am pleased to confirm that, following review by the Association’s Qualifications Committee on 13 February 2026, holders of qualifications from your institution will be eligible for the award of exemptions as outlined below.

Qualifications assessed as appropriate for the granting of exemptions from the AIA Professional Qualification may be viewed online via www.aiaworldwide.com/study/exemptions/.

I would appreciate it if you could ensure that this information is included in your PR materials/website so that students are aware of the exemptions available from AIA.

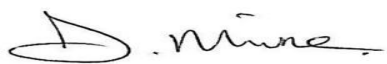

Qualification	AIA Professional Examinations
Associate of Business Administration in Accountancy (Graduates 1.1.2026 to 31.12.2030)	Foundation Level <u>Financial Accounting</u> <u>Management Accounting</u> <u>Corporate Governance and Audit</u> <u>Business Management</u> Professional 1 Level <u>Business Law for Accountants</u>

Your declaration made in signing the ‘Exemptions Guidance and Application Form for Institutions’ serves as acceptance and confirmation of this exemption offer.

Please note that this exemptions offer is conditional on the content and assessment method of modules assessed remaining unchanged and remains valid until 31 December 2031. Near to the end of this period AIA will be in touch to confirm the continuation of exemptions for an agreed period. If there are any changes to the syllabus content or module assessment methods of any qualification assessed considered within the above exemption offer timeframe, you should send details at an early date to facilitate reassessment. AIA would recommend notifying of changes prior to finalisation of a new syllabus or module to ensure future students are not adversely affected by changes.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
