OWN YOUR FUTURE NOW

Programme Features

This cutting-edge design programme in Hong Kong is dedicated to enhancing knowledge and understanding of how visual design impacts culture and society. We believe that visual design should be used for the betterment of society, and our students are encouraged to learn and practice their craft in a socially responsible and sustainable manner. With a commitment to innovation, we strive to push the boundaries of design education, fostering creativity and critical thinking in our students.

Graduate Outcome

Highly skilled and socially responsible designers who possess a deep understanding of how visual design contributes to culture and society.

Competency Achieved

Students will have acquired competencies in creativity, digital design, media production, expressive drawing, visual design and communication, animation, game development, and media storytelling.

Main Subject Areas

Digital Design Fundamentals

- Digital Media Design Fundamentals
- Introduction to Media Production
- Expressive Drawing

Visual Design and Communication
