UNIVERSITY  
OF WOLLONGONG  
AUSTRALIA

## Introduction

The Associate of Science (ASC) programme aims to provide students with a broad-based education in basic sciences including chemistry, biology and physics, and the skills necessary to apply scientific and mathematical knowledge to solve problems. It also prepares graduates for further studies and employment. Graduates who wish to pursue further studies may be granted entry into Science degree programmes like Applied Science, Applied Biology, Applied Chemistry, Biotechnology, Food Science, Biomedical Sciences and Applied Physics, etc.

## Further Studies

Further studies **81%**  
of which  
UGC-funded Universities **58%**  
\*Including self-financed programmes
