

## Outstanding Student Leader Award

LO KA WAI

Associate of Science in Airport Operations and Aviation Logistics

Ka Wai is a person who loves seeking challenges and trying out new things to increase her knowledge. Throughout her studies in the College, she has worked hard and has been placed on the President's List and nominated to receive Reaching Out Award scholarship in 2018/19. She was the class representative and was responsible for gathering advice from students and deliver them at programme meetings. Furthermore, she was chosen to be one of the student mentors and to assist Year 1 students to adapt to life at the College. To pursue her dream in aviation, she joined the International Summer Programme, which was hosted by Korean Aerospace University. With a local internship at Jardine Aviation Service Limited under her belt. Ka Wai looks forward to applying what she learnt in her future career.
